

Have you ever felt busted? You know, you know you are not supposed to be doing something, and you do it anyway. And someone walks in on you and you are just stand there with a dumb look on your face.

In the first 6 verses of Psalm 139, we discover that we are all “\_\_\_\_\_.”

#### God knows everything about you! (1-6)

- He knows your \_\_\_\_\_! (1-2)
- He knows everything that you \_\_\_\_\_! (3-4)

What is our typical response when you don't want someone to find something out about you? What do we typically do? We try to hide! You know what we learn in the next verses?

#### God knows everything about you \_\_\_\_\_! (7-12)

In other words, you cannot \_\_\_\_\_ from God!

#### God knows your \_\_\_\_\_! (He made you) (13-16)

You may feel like God is a million miles away! You may feel like God wants nothing to do with you. Or that maybe, He is ignoring you. You know what the Bible tells us?

- God has personally been \_\_\_\_\_ in your life before you were \_\_\_\_\_. (13-15)
- God has a \_\_\_\_\_ of your life. (16)

#### God knows you and thinks \_\_\_\_\_ thoughts toward you! (17-18)

Do you believe that God thinks precious thoughts toward you?

In the midst of your sin, do you believe that God thinks good thoughts toward you? David sinned! David was a man who had committed adultery, impregnated a woman who was not his wife -who was married to another man- and then had that man killed! Still! He welcomed God's presence and knew that God was thinking good thoughts toward him. He believed that God's precious thoughts toward him were innumerable! -that they could not be counted!

If there is one thought I want you to leave with tonight it is this:

#### God is on your \_\_\_\_\_!

#### Final Thoughts

God knows everything about you. You cannot Hide from Him. He designed you. He has been involved in your life since before you were born. Even though He knows all of our flaws, God thinks precious thoughts toward you.
